CONDITIONS OF SALE

CONTRACTS—Due to conditions beyond our control all orders and contracts accepted, are subject to government regulations and availability of labor and supplies.

ORDERS ARE ACCEPTED SUBJECT to prior sale, and to condition of stock at delivery date, under the following terms:

GOODS IN TRANSIT—All goods are at purchaser's risk after they are delivered to the forwarding companies and we receive their receipts for the shipment in good condition.

CLAIMS must be made within **FIVE DAYS** after receipt of goods.

PRICES in this catalogue cancel all previous lists and quotations, are subject to change without notice and they are **F.O.B.** our nurseries, packing extra. The quantity rates apply only to orders calling for the same size and variety.

TERMS CASH—For customers of established credit accounts will be open due in 30 days from date of invoice. Interest at six per cent (6%) per year will be charged on all accounts from due date. Orders for **C.O.D.** shipment must be accompanied by one-third of the amount.

SPECIAL SELECTION — Plant material specially selected at the nursery will be sold at prices commensurate with the value of the specimens chosen, irrespective of the listed prices.

GUARANTEE — Should any plant die within one year from the date of invoice we will re-supply such material at one-half your cost—providing the invoice is paid and proper care has been given to planting and maintenance. All packing or delivery charges are additional. This guarantee does not apply to materials purchased for resale.

HUMUS

Cultivated and Prepared

Invariably the addition of humus or similar organic material will improve the physical condition of soil. Careful tests of many products resulted in the selection of this cultivated humus. Its advantages are many—it binds sandy soils—loosens clay soils and is extremely useful as a mulch or top dressing. Furthermore, it increases soil bacteria and releases the necessary nitrogen essential to plant growth—stimulates root growth—provides drainage and prevents water logging, but conserves moisture. Being well seasoned and correctly prepared it is ready for immediate use.

New Lawns

Prepare the land carefully by thorough drainage and deep cultivation. Break up all lumps, remove all sticks, stones and other foreign matter. Broadcast humus over the entire area to a depth of one-half inch. Slightly heavier application for poor land. Add Turf Builder as directed. Work the humus thoroughly into the top 3 inches of cultivated soil, rake smooth, and your soil is then ready for seeding.

Established Lawns

Mow entire lawn fairly close. Rake both ways vigorously with bamboo or fine steel rake to remove all dead grass and foreign matter. Loosen surface with a heavy spike tooth roller. Spread humus to a depth of $\frac{1}{2}$ inch, mix Turf Builder, and brush into the soil so that it penetrates down to the roots. Where the spots are very barren replace poor soil with equal amounts of humus and topsoil, add the proper quantity of Scotts grass seed, roll and water.

Shrub and Flower Borders

Apply humus 1 to 2 inches thick depending on soil conditions, and work thoroughly into the soil immediately surrounding the plants, to a depth of 4 to 6 inches. For new plantings several shovelfull thoroughly incorporated with the soil in each hole will prove very beneficial.

GENERAL SOIL IMPROVEMENT

To increase the organic content of average soil by 1% which is the minimum amount recommended, apply 40 yards of cultivated humus to one acre and thoroughly mix with the top 6 inches of soil. Such an application is approximately $\frac{1}{3}$ of an inch thick using one bushel of humus to fifty square feet. Naturally a clay soil will need a heavier application.

Bushel	\$ 1.00
Bag about $2\frac{1}{2}$ bushels	2.25
1 cu. yd. (approx. 21 bushels).....	12.00
1 cu. yd. (in 9 $2\frac{1}{2}$ bushel bags).....	18.00

LEAFMOLD

Thoroughly decomposed leaves—the natural fertilizer. This is a deposit of many years so the material is in a powdered form—a splendid soil conditioner. Being highly organic and slightly acid this makes the ideal plant food and mulch for broad leaf evergreens. Supply limited. Same price as Humus.

SCOTTS LAWN SEED

All purpose blend of deep-rooting permanent grasses for open lawns in full sun or light shade. Triple cleaned by Scotts special process to remove chaff and assure 99.91% weed freedom. Rate: Sow 3 to 5 lbs. to 1000 sq. ft. (area 50 x 20 ft.).

1 lb. box.....	\$1.25	10 lb. bag.....	\$12.35
3 lb. box.....	3.75	25 lb. bag.....	29.85
5 lb. box.....	6.25	50 lb. bag.....	57.50

Scotts for Dense Shade

The best selection of perennial grasses for areas receiving practically no sunlight. Harmonizes in color and quality with turf produced by other Scotts Seed.

1 lb. box.....	\$1.25	10 lb. bag.....	\$12.35
3 lb. box.....	3.75	25 lb. bag.....	29.85
5 lb. box.....	6.25	50 lb. bag.....	57.50

Scotts Bentgrass

For over 25 years this aristocrat of lawn grasses has been making prize winning home lawns and championship golf putting greens. Will help established lawns if sown in them or mixed with other seed. Rate: 2 or 3 lbs. per 1000 sq. ft.

1 lb. jar	\$2.25	5 lb. bag.....	\$10.85
3 lb. bag.....	6.75	25 lb. bag.....	49.50

Scotts Clover Seed

Finest quality high germinating seed. Not included in Scotts mixtures because it is better to sow alone. Rate: Sparingly at $\frac{1}{4}$ to $\frac{1}{2}$ lb. per 1000 sq. ft.

$\frac{1}{2}$ lb. box.....	\$.90	1 lb. box.....	\$1.80
----------------------------	--------	----------------	--------

Scotts Turf Builder

Proper feeding each spring and fall with this enriched grassfood keeps lawns healthy and sparkling green. Supplies all vital nutrients in correct proportion and goes twice as far—10 lbs. feeds 1000 sq. ft. of lawn.

10 lb. sack.....	\$1.25	50 lb. sack.....	\$3.75
25 lb. sack.....	2.25	100 lbs. (two 50-lb. sacks)	6.50

BALLING CHARGES

Ball and Burlap—The specification "B & B" in this list signifies digging with a ball of earth, which, where indicated, is included in the price. For digging all other items (not specified B & B) in this manner, there is an additional charge based upon the dimensions of the earth ball as follows:

Diameter of Ball	Estimated Weight	Price
9"	30 lbs.	\$.50
12"	45 lbs.	.75
15"	75 lbs.	1.50
18"	150 lbs.	3.00
21"	225 lbs.	5.00
24"	300 lbs.	7.00
30"	550 lbs.	10.00
36"	1150 lbs.	15.00
42"	1850 lbs.	22.00
48"	2750 lbs.	30.00
54"	4000 lbs.	45.00
60"	5500 lbs.	60.00

Platforms—As part of our equipment, are to be returned.

Delivery Dates are made subject to enforced delay caused by weather or other conditions beyond our control.

SCHEDULE OF DELIVERY CHARGES

First Zone	1-15 miles	\$10.00
Second Zone	15-30 miles	\$15.00
Third Zone	30-50 miles	\$25.00
Fourth Zone	50-75 miles	\$33.00

Orders of \$1,000.00 or more will be delivered FREE in first, second, and third zones.
